Hearty Waybop

Waybop is a neat Zentangle® Original Tangle. AND of course, as would be expected, there are a lot of ways we can have fun with it. In these sessions, we will look at the Hearty Waybop tangleation.

Items you will need.

- Paper to draw on. Cardstock, Zentangle Tile, sketchbook, etc. Size & color is up to you.
- Microns or other fine liners, in black, and other colors.
- Gel pens, colored pencils, chalk pencils, markers – anything you want that will add color.
- Graphite pencil (Regular No. 2 works great!)
- Tortillons or stumps to blend (You could use a cotton swabs too).
- Heck grab all your stuff – you never know in what direction you may be inspired!
